Testimonials

“I would like to applaud Knoff Yoga School for their most excellent standard of Yoga Teacher Training. As an international yoga teacher I travel and teach in many countries in South East Asia and also Europe. Over the past 10 years I have always been asked to recommend a good yoga teachers training course wherever I go. Unhesitatingly, I have always directed those who are serious about becoming teachers to Knoff Yoga Teacher Training.

You will be challenged on all levels and Nicky and James will extract your true potential. As I keep returning to teach in the same countries I have the privilege often of meeting again the students who successfully did the Knoff Yoga TTC sometimes months or years later. I am never disappointed, and more often astonished by the change in the student in front of me. The common factor being I see a clarity, confidence and maturity in them and without a doubt I know I would trust that person to teach a class.

To me Knoff Yoga Teacher Training is like’ the organic whole meal bread ‘of all the Yoga Teacher Trainings available today. It is the one I trust, with all the essential nutrients and ingredients to give a really complete start to teaching yoga. It is for this reason that I always have, and will continue to send potential yoga teachers to them.”

Paddy McGrath, International Yoga Teacher based in Thailand

“I would like to thank my teachers from the Knoff Yoga Teacher Training course for the incredible experience I had in Cairns, Australia. I came far on my journey to be a yoga teacher and totally felt that this was the culmination of many years of ambition to learn how to teach. Up until this point I was unsure and under confident in this quest.

I was given one of the greatest challenges in my life and achieved, I feel the greatest reward. I don’t think I have ever worked so hard or with so much intensity in my yoga practice and this lead me through an emotional and physical walk over hot coals to get to the end. But I did get to the end and it was a fantastic ride! Nicky is truly inspirational and a compliment from her is worth its weight in gold. And James and his bizarre analogies is welcome light relief.

I would invite anyone to tread the same path as I did. Don’t forget that taking the first step is hardest after that it’s all uphill! No really – the downhill bit is worth the uphill struggle. Now I am back in the UK and along with another job, teaching 2 classes a week. But my ambition is securely in place to open my own studio at some point. And I hope to build a yoga community here such as I experienced in Cairns. Although unfortunately much colder! Love, light and pure energy to all. Namaste! PS. I want to come back!”

The Knoff Yoga Teaching & Practice Methodology

The **Knoff Yoga System** teacher training will give you the opportunity to share the life-enhancing benefits of yoga with others and to join a rapidly growing profession that has the potential to change your life and those around you.

As part of the **Knoff Yoga System** you will learn how to teach **5 Essential Components** in every class in order to give your students a comprehensive lesson:

- **Meditation** – non-religious mind centering techniques
- **Pranayama** – breathing exercises for mental clarity and physical vitality
- **Asana** – anatomically aligned, structurally balanced yoga poses to enhance functionality of the body
- **Relaxation** – how to effectively relax the nervous system and reduce stress
- **Philosophy** – positive, uplifting and life affirming.

You will be taught how to incorporate these 5 components to create a well-structured and balanced class to leave your students feeling great and wanting more.

The **Knoff Yoga System** uses an **11 Asana Group Sequence** in all levels:

- Earth & Sun Salutations
- Inverted Poses (heating)
- Standing Poses
- Arm Balancings
- Forward Bends
- Sitting Poses
- Abdominals
- Twists
- Backbends
- Inverted Poses (cooling)
- Relaxation.

This sequencing is based on the Knoff Yoga **Principles of Sequencing** and, together with the other essential components, has been designed to energise the body, elevate the mind and evolve the spirit.

You will also learn our **5 Week Rotational Sequence** for teaching yoga postures. Each week there is a specific theme in which you slow down the class and emphasise specific asana groups to enhance learning. The rest of the class is taught at a normal pace. We have found that students really appreciate this varied method of learning.

You will study and learn the unique **24 Principles of Practice**, which form the basis for all practice and teaching in the Knoff Yoga style.

In Knoff Yoga we teach **5 Bandhas**, or muscular and energetic locks, which transform internal energies creating heat and lightness in the body, while simultaneously providing internal support:

- **Mula Bandha** – Root Lock
- **Uddiyana Bandha (minor)** – Abdominal Lock
- **Jalandhara Bandha** – Chin Lock
- **Hasta Bandha** – Hand Lock
- **Pada Bandha** – Foot Lock

The **Knoff Yoga System** has pioneered the application of **Right and Left Days/Weeks** in asana practice and teaching to ensure symmetry of body, breath and mind. We are the only yoga school in the world to apply these methods.

About Nicky Knoff

Nicky Knoff ERYT500 was born in 1938 to a Dutch father and an English mother. The family was living in Indonesia when the Japanese invaded at the start of WWII. Nicky was in a concentration camp from the age of three and a half years to nearly eight years old.

The harsh experiences of the war forced Nicky to confront, at a very early age, the basic realities of life - what was important and what was not. Nicky learned that we all have an inner essence, that when stripped of the veneer of social conditioning, we are all essentially the same, but with conditioning we are capable of doing the most horrific acts. Nicky's approach to teaching yoga is to help her students challenge their social conditioning, to guide them towards revealing their own inner essence, so they may reach their full potential as human beings.

Nicky Knoff was a student of Bikram Choudhury in Japan from 1970 to 1974, before Hot Yoga (an American invention), before he became famous, and before he started his bad behaviour. In those years, Bikram had a strong practice, was clear and competent in his teaching, and treated his students with respect. Nicky categorically condemns all sexual misconduct and abuse of students.

When travelling on holiday from Japan, Nicky discovered Iyengar Yoga and started studying with many Iyengar teachers all over the world, one of them being Martyn Jackson in Sydney, Australia. Nicky made many trips to Pune, India to study with B.K.S. Iyengar, Geeta and Prashant and in 1992 was certificated as a Senior Iyengar Yoga Teacher.

In 1989, Nicky went to Mysore, India to study with K. Pattabhi Jois, where she learned the first three series of Ashtanga Vinyasa Yoga. In 1991 she travelled to Maui, Hawaii to learn the 4th Series from Nancy Gilgoff and the other Ashtanga yogis there. In 1980, Nicky attended her first Vipassana Meditation Course with S.N. Goenka. Nicky attended many Vipassana 10-day silent retreats and also a 30-day retreat at Igatpuri, India in 1988.

From 1974 to 1984 Nicky taught yoga at the Crippled Children's Society in New Zealand, spending 4 years in Dunedin and 6 years in Auckland. This experience led Nicky to specialise in Yoga Therapy. In 1980, Nicky opened the first full-time yoga school in Auckland, the New Zealand School of Yoga.

In 1984 Nicky moved to Australia and opened the Queensland School of Yoga in Noosaville. In 1992 she moved to Cairns, and opened the Ashtanga Yoga Academy. In 2000, Nicky moved to Colorado, USA where she opened the Academy of Yoga. For the next 4 years, Nicky attended classes at many yoga schools throughout the United States and also the Yoga Journal Estes Park Convention for 4 consecutive years, where she studied with many very experienced yoga teachers.

Nicky returned to Australia in 2004 and now runs teacher training courses, teaches workshops, intensives, private classes, and holistic healing nationally and internationally. Through Nicky's passion for yoga, **The Knoff Yoga System** has evolved over 40 years and provides a unique program for better yoga practice and teaching.

Mission Statement

Our passion is to share the physical, mental, and spiritual benefits of yoga.

Our goal is to offer training that is transformational, and imparts the techniques and philosophy of yoga as well as the enthusiasm to make yoga a life-long choice.

We understand that Knoff Yoga will grow and prosper in direct relation to the positive impact it has upon the lives of our teachers and students.
