Level 7 – Intermediate

THE COURSE

It is important to continue learning in yoga (as in life), especially once you are actively teaching and caught up in the world of yoga business – trying to make a living out of what we love doing. The levels in the Knoff Yoga System are designed for professional yoga teachers. Studying intensively is the most efficient way to utilise your limited and precious time.

The Knoff Yoga Asana Teacher Training program consist of 5 levels:

- Discovery
- Foundation
- Intermediate
- Advanced
- Master
- Foundation

Each of these levels has its own separate syllabus and each higher level is based on the one before. To attend Intermediate you need to have completed Discovery and Foundation so you are physically and mentally prepared for the task.

All of the programs are based on the unique Knoff Yoga Principles of:

- Sequencing
- Teaching
- Adjusting
- Observation
- Demonstration
- Practice
 1. Foundation
 2. Cardinal Directions
 3. Centering
 4. Earth/Heaven Extension
 5. Scissoring
 6. Bandhas
 7. Co-Contraction
 8. Spiralic Action
 9. Reciprocal Inhibition
 10. Body Proportions
 11. Alignment
 12. Timing
 13. Creating Space
 14. Coiling
 15. Balancing Ha/Tha
 16. Synchronising Breath & Movement
 17. Micro-Movements
 18. Vinyasa
 19. Balancing Strength & Flexibility
 20. Progression
 21. Mindfulness
 22. Effortless Effort
 23. Five Elements
 24. Enjoyment

The Intermediate Asana, Pranayama & Meditation syllabus consists of:

- Earth & Sun Salutations
- 8 Inverted Poses (heating)
- 14 Standing Poses
- 4 Arm Balancings
- 9 Forward Bends
- 5 Sitting Poses
- 2 Abdominals
- 2 Twists
- 7 Backbends
- 8 Inverted Poses (cooling)
- Relaxation
- 9 Pranayama
- Breath focused Meditation

Level 7 – Intermediate

The Anatomy covers the basics of movement, muscles and bones and is taught with direct application to the yoga postures. The philosophy looks at: historical and theoretical principles of hatha yoga; the eight limbs of yoga; emphasis on how theory of yoga translates to practice of life, with particular focus on yamas and niyamas; eastern and western philosophies underlying principles of yoga, and introduces Yoga Sutras Chanting.

You will not necessarily master all of the postures and techniques in four weeks, and will need to maintain the discipline and focus gained during the Course, in your self-practice after the Course. You will learn how to create a graduated, multi-level practice, so that you can continue to progress without burning out.

Combined with the Discovery and Foundation syllabus, you will have enough information, knowledge and skills to teach yoga competently and successfully for many years to come.

The postures and techniques learned at this level are not suitable for beginners. In other words, do not return to your yoga studio and inflict the Intermediate syllabus on unprepared students – you will harm them!

With the Knoff Yoga System you will learn how to teach appropriate levels for a wide range of students. Beginners are taught the Discovery syllabus. When they are comfortable with this, they can progress to Foundation. Only when they are reasonably proficient with Foundation would you introduce them to the Intermediate syllabus.

We offer a further 2 Levels of study, Advanced & Master to assist in your professional development. Before thinking about attending these higher levels, you must be competent with the Intermediate program, as each new level is a big step up in effort and capability.

Students who do not wish to teach may also attend the course to intensively deepen their practice and grow their yoga knowledge.

You will receive a **Teacher Training Handbook** and **Intermediate Asana and Pranayama Manual and an Intermediate Teaching Certificate** (if you pass the course).

Course Pre-requisites

To join the Intermediate course, you are required to have completed the Level 1 – Discovery and Level 3 – Foundation courses, or an equivalent 200-hour certification. Please see HOW TO APPLY in this brochure for full details of the application process.

Professional Credentials

When you satisfactorily complete the Course requirements, you will be awarded with the professional credential of a **‘Teaching Certificate’ Level 7 – Intermediate**. Otherwise, you will be awarded with a ‘Statement of Attendance’, providing you attend all classes and complete all assignments. When you obtain professional indemnity insurance it will relate to the course content and you will only be insured/covered for what you have been certificated for.

The Level 7 – Intermediate Teacher Training certificate is valid for 5 years. For renewal information see www.knoffyoga.com under ‘Teacher Training – Tell Me More’ and then scroll down to ‘How to renew your Teaching Certificate’.

On completion of this four-week intensive course, students/teacher trainees have the opportunity to study other Knoff Yoga courses.

"Nicky and James are wonderful teachers and they live and breathe Yoga in their daily life. Yoga is a lifelong path as well as a path of transformation. Having a genuine teacher is a key ingredient. I feel very fortunate to have had James and Nicky as my teachers. Since my training I have referred many people to their teacher training courses and have always received great feedback. At Knoff Yoga students receive hands on input from two of Australia's leading Master teachers. Both Nicky and James are with the students from the beginning of the course to the end and are always available for on-going support and interaction. I highly recommend them."

The Knoff Yoga Teaching & Practice Methodology

The **Knoff Yoga System** teacher training will give you the opportunity to share the life-enhancing benefits of yoga with others and to join a rapidly growing profession that has the potential to change your life and those around you. As part of the **Knoff Yoga System** you will learn how to teach **5 Essential Components** in every class in order to give your students a comprehensive lesson:

- **Meditation** – non-religious mind centering techniques
- **Pranayama** – breathing exercises for mental clarity and physical vitality
- **Asana** – anatomically aligned, structurally balanced yoga poses to enhance functionality of the body
- **Relaxation** – how to effectively relax the nervous system and reduce stress
- **Philosophy** – positive, uplifting and life affirming.

You will be taught how to incorporate these 5 components to create a well-structured and balanced class to leave your students feeling great and wanting more. The **Knoff Yoga System** uses an **11 Asana Group Sequence** in all levels:

- Earth & Sun Salutations
- Inverted Poses (heating)
- Standing Poses
- Arm Balancings
- Forward Bends
- Sitting Poses
- Abdominals
- Twists
- Backbends
- Inverted Poses (cooling)
- Relaxation.

This sequencing is based on the Knoff Yoga **Principles of Sequencing** and, together with the other essential components, has been designed to energise the body, elevate the mind and evolve the spirit.

You will also learn our **5 Week Rotational Sequence** for teaching yoga postures. Each week there is a specific theme in which you slow down the class and emphasise specific asana groups to enhance learning. The rest of the class is taught at a normal pace. We have found that students really appreciate this varied method of learning.

You will study and learn the unique **24 Principles of Practice**, which form the basis for all practice and teaching in the Knoff Yoga style.

In Knoff Yoga we teach **5 Bandhas**, or muscular and energetic locks, which transform internal energies creating heat and lightness in the body, while simultaneously providing internal support:

- **Mula Bandha** – Root Lock
- **Uddiyana Bandha (minor)** – Abdominal Lock
- **Jalandhara Bandha** – Chin Lock
- **Hasta Bandha** – Hand Lock
- **Pada Bandha** – Foot Lock

The **Knoff Yoga System** has pioneered the application of **Right and Left Days/Weeks** in asana practice and teaching to ensure symmetry of body, breath and mind. We are the only yoga school in the world to apply these methods.

About Nicky Knoff

Nicky Knoff ERYT500 was born in 1938 to a Dutch father and an English mother. The family was living in Indonesia when the Japanese invaded at the start of WWII. Nicky was in a concentration camp from the age of three and a half years to nearly eight years old.

The harsh experiences of the war forced Nicky to confront, at a very early age, the basic realities of life - what was important and what was not. Nicky learned that we all have an inner essence, that when stripped of the veneer of social conditioning, we are all essentially the same, but with conditioning we are capable of doing the most horrific acts. Nicky's approach to teaching yoga is to help her students challenge their social conditioning, to guide them towards revealing their own inner essence, so they may reach their full potential as human beings.

Nicky Knoff was a student of Bikram Choudhury in Japan from 1970 to 1974, before Hot Yoga (an American invention), before he became famous, and before he started his bad behaviour. In those years, Bikram had a strong practice, was clear and competent in his teaching, and treated his students with respect. Nicky categorically condemns all sexual misconduct and abuse of students.

When travelling on holiday from Japan, Nicky discovered Iyengar Yoga and started studying with many Iyengar teachers all over the world, one of them being Martyn Jackson in Sydney, Australia. Nicky made many trips to Pune, India to study with B.K.S. Iyengar, Geeta and Prashant and in 1992 was certificated as a Senior Iyengar Yoga Teacher.

In 1989, Nicky went to Mysore, India to study with K. Pattabhi Jois, where she learned the first three series of Ashtanga Vinyasa Yoga. In 1991 she travelled to Maui, Hawaii to learn the 4th Series from Nancy Gilgoff and the other Ashtanga yogis there. In 1980, Nicky attended her first Vipassana Meditation Course with S.N. Goenka. Nicky attended many Vipassana 10-day silent retreats and also a 30-day retreat at Igatpuri, India in 1988.

From 1974 to 1984 Nicky taught yoga at the Crippled Children's Society in New Zealand, spending 4 years in Dunedin and 6 years in Auckland. This experience led Nicky to specialise in Yoga Therapy. In 1980, Nicky opened the first full-time yoga school in Auckland, the New Zealand School of Yoga.

In 1984 Nicky moved to Australia and opened the Queensland School of Yoga in Noosaville. In 1992 she moved to Cairns, and opened the Ashtanga Yoga Academy. In 2000, Nicky moved to Colorado, USA where she opened the Academy of Yoga. For the next 4 years, Nicky attended classes at many yoga schools throughout the United States and also the Yoga Journal Estes Park Convention for 4 consecutive years, where she studied with many very experienced yoga teachers.

Nicky returned to Australia in 2004 and is now based in Cairns, Far North Queensland where she runs teacher training courses, and teaches workshops, intensives, private classes, public classes and Holistic Healing At the Knoff Yoga Headquarters. Through Nicky's passion for yoga, **The Knoff Yoga System** has evolved over 40 years and provides a unique program for better yoga practice and teaching.

Mission Statement

Our passion is to share the physical, mental, and spiritual benefits of yoga.

Our goal is to offer training that is transformational, and imparts the techniques and philosophy of yoga as well as the enthusiasm to make yoga a life-long choice.

We understand that Knoff Yoga will grow and prosper in direct relation to the positive impact it has upon the lives of our teachers and students.
