Level 5 – Yoga Holistic Healing A

Yoga Holistic Healing

Yoga holistic healing is the all inclusive approach to physical and mental well-being that treats acute or chronic ailments, injuries or misalignments by bringing the whole body into symmetry and balance through yoga:

- Postures
- Breath Work
- Meditation

Yoga techniques are adapted to meet the needs and capabilities of the student in personalised one-on-one programs that are designed specifically for each situation and should be practiced at home after the class.

Yoga holistic healing is distinct from other forms of conventional therapy in that it works to alleviate localised symptoms as well as addressing the causal and peripheral imbalances that would otherwise allow the problems to re-occur.

Yoga holistic healing recognises that the body and mind are interconnected through the agency of the breath and that there is a direct connection between mental and physical states and the condition of the breath. Long slow, steady yoga breathing activates the parasympathetic nervous system, which creates a feeling of peace and calm and allows the body to heal.

A Knoff Yoga teacher treats you with care and consideration and only starts working with you after reading your health questionnaire and listening to everything you have to say.

The goal of yoga holistic healing is for the student to take control of his or her health, not only to cure a short-term discomfort, but also to stay healthy.

THE COURSE

In Yoga Holistic Healing A, you will learn how to work with people suffering mainly from structural misalignments and problems, e.g. back pain, bad posture, herniated discs, knee pain, neck pain, sacroiliac pain, sciatica, scoliosis, weak joints, etc.

There will be yoga holistic healing classes with volunteer students from the public, so you get to experience working with real people. Learn how to put the theory into practice safely and confidently.

In the morning Asana, Pranayama and Meditations sessions, Teacher Trainees will practice actual yoga holistic healing programs in order to feel and understand their application.

In the afternoon Teaching Methodology sessions Teacher Trainees assist, provide props, take photos and notes and work with the volunteer students, while James supervises. You will get feed-back direct from the volunteer students on how they feel after doing the specially designed programs. We invite people with a range of health issues. Students are welcome to return for future courses to learn more and keep up with the latest information.

The theory and preparation will cover some of the more typical physical misalignments and look at how yoga techniques can bring about an improvement. In addition, we will look at the 'bigger picture' of how we are more than just a body, and how healing occurs on many different levels.

You will receive a **Level 5 – Yoga Holistic Healing Manual and a Yoga Holistic Healing Certificate** (if you pass the course).

The Knoff Yoga Teaching & Practice Methodology

The **Knoff Yoga System** teacher training will give you the opportunity to share the life-enhancing benefits of yoga with others and to join a rapidly growing profession that has the potential to change your life and those around you.

As part of the **Knoff Yoga System** you will learn how to teach **5 Essential Components** in every class in order to give your students a comprehensive lesson:

- **Meditation** – non-religious mind centering techniques
- **Pranayama** – breathing exercises for mental clarity and physical vitality
- **Asana** – anatomically aligned, structurally balanced yoga poses to enhance functionality of the body
- **Relaxation** – how to effectively relax the nervous system and reduce stress
- **Philosophy** – positive, uplifting and life affirming.

You will be taught how to incorporate these 5 components to create a well-structured and balanced class to leave your students feeling great and wanting more.

The **Knoff Yoga System** uses an **11 Asana Group Sequence** in all levels Earth & Sun Salutations

- Inverted Poses (heating)
- Standing Poses
- Arm Balancings
- Forward Bends
- Sitting Poses
- Abdominals
- Twists
- Backbends
- Inverted Poses (cooling)
- Relaxation.

This sequencing is based on the Knoff Yoga **Principles of Sequencing** and, together with the other essential components, has been designed to energise the body, elevate the mind and evolve the spirit.

You will also learn our **5 Week Rotational Sequence** for teaching yoga postures. Each week there is a specific theme in which you slow down the class and emphasise specific asana groups to enhance learning. The rest of the class is taught at a normal pace. We have found that students really appreciate this varied method of learning.

You will study and learn the unique **24 Principles of Practice**, which form the basis for all practice and teaching in the Knoff Yoga style.

In Knoff Yoga we teach **5 Bandhas**, or muscular and energetic locks, which transform internal energies creating heat and lightness in the body, while simultaneously providing internal support:

- **Mula Bandha** – Root Lock
- **Uddiyana Bandha (minor)** – Abdominal Lock

Level 5 – Yoga Holistic Healing A

- **Jalandhara Bandha** – Chin Lock
- **Hasta Bandha** – Hand Lock
- **Pada Bandha** – Foot Lock

The **Knoff Yoga System** has pioneered the application of **Right and Left Days/Weeks** in asana practice and teaching to ensure symmetry of body, breath and mind. We are the only yoga school in the world to apply these methods.

About James Bryan

James E. Bryan ERYT500 – was born in 1953 in Los Angeles, California, and immigrated with his family to Auckland, New Zealand in 1969. Nicky Knoff was James' very first yoga teacher when he started classes at the New Zealand School of Yoga in 1982.

At the New Zealand School of Yoga James attended classes 3 times per week for the first 3 months, but then got the “yoga bug”, and attended 7 days per week for the next 4 years. One of the teachers at the New Zealand School of Yoga travelled to the UK for an extended holiday and approached James to take over his classes. This was the beginning of James' formal teacher training.

James taught yoga at the Auckland Crippled Children's Society every Friday afternoon for 2 years. This was a wonderful learning experience and taught him how to adapt and modify the classical yoga postures to suit all body types.

In 1986 James attended a Teacher Training intensive at the Ramamani Iyengar Memorial Yoga Institute, in Pune, India with B.K.S. Iyengar and Geeta Iyengar. In the same year, James moved to Australia to join Nicky Knoff in setting up the Queensland School of Yoga in Noosaville.

In 1987 James attended his first Vipassana Meditation 10-day silent retreat, which was led by S.N. Goenka. James attended another 3 10-day silent retreats. From 1982 James practised, studied and taught Iyengar Yoga and in 1988 was certificated as a Junior Iyengar Yoga Teacher.

In 1989 James was certificated as an Intermediate Level III Iyengar Yoga Teacher. In 1989 James travelled to Mysore, India to study Ashtanga Vinyasa Yoga with K. Pattabhi Jois, where he learned the first 3 Series.

In 1991 he travelled to Hawaii to learn the 4th Series from Nancy Gilgoff at the House of Yoga and Zen, Haiku, Upcountry, Maui. In 1992 James assisted Nicky with opening the Ashtanga Yoga Academy in Cairns, Queensland, Australia.

In 2000, James moved with Nicky to Colorado, USA where they opened the Academy of Yoga. For the next 4 years, James explored many yoga schools throughout the United States and also attended the Yoga Journal Estes Park Convention for 4 consecutive years, where he studied with many famous yoga teachers.

James returned to Australia in 2004 and now runs teacher training courses, teaches workshops, intensives, private classes, and holistic healing nationally and internationally.

James's approach to teaching is technical and he likes to share the how and why of doing postures so that students may develop a clear understanding. James says exercise and education go hand-in-hand. He is appreciated for his wit and humour and makes yoga fun. Together with Nicky he is co-founder of Knoff Yoga.

Mission Statement

Our passion is to share the physical, mental, and spiritual benefits of yoga.

Our goal is to offer training that is transformational, and imparts the techniques and philosophy of yoga as well as the enthusiasm to make yoga a life-long choice.

We understand that Knoff Yoga will grow and prosper in direct relation to the positive impact it has upon the lives of our teachers and students.
