## Level 4 – Pregnancy Yoga

### THE COURSE

When offering yoga classes to the public, you will inevitably have pregnant students wanting to attend and it is essential to know what you are doing and have the skills to help them access the many health benefits that practicing yoga will bring to both the mother and the baby.

This **Pregnancy Yoga** Teacher Training Course will give you the knowledge and experience so you can confidently teach pregnant women, either including them in beginner classes, experienced classes, or in a separate specialised private Pregnancy Yoga class.

This Course is unique, as we will have 'real' live volunteer pregnant women from the public come to participate. We ask for a wide range of pregnancies, from the first, right up until the third trimester, in order to give you as much experience as possible.

In the morning Asana, Pranayama and Meditation sessions Teacher Trainees will practice the actual pregnancy postures to gain direct experience, learn which breath-work is beneficial and which is not, plus the meditation techniques to calm and focus the mind.

Many of our students, post pregnancy, say the main thing, which got them through the birth of their baby, was knowing how to breathe, plus having the confidence to listen to their bodies – which came from their practice.

In the afternoon Teaching Methodology sessions Nicky Knoff will teach the Pregnant Yoga students, while Teacher Trainees assist, provide props, and take photographs and make notes. These Pregnancy Yoga students get feed-back after the classes!

The Anatomy will cover the basics of pregnancy, childbirth and breastfeeding and guidelines during trimesters. The Philosophy will look at how we can use yoga to accommodate the changes occurring and how to find our centre in order to maintain balance.

You will receive a **Teacher Training Pregnancy Yoga Manual and a Pregnancy Teaching Certificate** (if you pass the course).

### Course Pre-requisites

To join the **Pregnancy Yoga** Course, you are required to have been practicing yoga for a minimum of two years, or preferably 200-hour certification. Entry to the Course is by application only (see below). Please see HOW TO APPLY in this brochure for full details of the application process.

### Professional Credentials

When you satisfactorily complete the Course requirements, you will be awarded with the professional credential of a **Pregnancy Yoga** Teaching Certificate. Otherwise, you will be awarded with a 'Statement of Attendance', providing you attend all classes and complete all assignments. When you obtain professional indemnity insurance it will relate to the course content and you will only be insured/covered for what you have been certificated for.

The **Pregnancy Yoga** certificate is valid for 5 years. For renewal information see [www.knoffyoga.com](http://www.knoffyoga.com) under Yoga Teacher Training/Certificate Renewal.

On completion of the 5-day intensive, students/teacher trainees have the opportunity to study further specialised intensive teacher training Courses to upgrade their teaching skills. ### Testimonials

*"I have been practicing and teaching Yoga myself for many years and was seeking to attend a 200-hour training to commit deeper to my practice. I travelled half way around the world (Dresden, Germany) to study Knoff Yoga because the moment I met Nicky many months before, it was obvious to me that she is a person who has dedicated her life very wisely and effectively to the teachings.*

*Nicky is a true Master in the art of Yoga. She is honest, precise and has many great stories to share from over 40 years' experience on the Yoga mat. Her knowledge of the body and asanas along with her keen eye provided our group with incredible adjustments that ensured each and every one of us understood – at the cellular level – how wonderful and trans-formative a solid Yoga practice can be. I am ever grateful for how generously Nicky passed on her wisdom and would recommend Knoff Yoga to anyone. Thank you!"*

### The Knoff Yoga Teaching & Practice Methodology

The **Knoff Yoga System** teacher training will give you the opportunity to share the life-enhancing benefits of yoga with others and to join a rapidly growing profession that has the potential to change your life and those around you.

As part of the **Knoff Yoga System** you will learn how to teach **5 Essential Components** in every class in order to give your students a comprehensive lesson:

- **Meditation** – non-religious mind centering techniques
- **Pranayama** – breathing exercises for mental clarity and physical vitality
- **Asana** – anatomically aligned, structurally balanced yoga poses to enhance functionality of the body
- **Relaxation** – how to effectively relax the nervous system and reduce stress
- **Philosophy** – positive, uplifting and life affirming.

You will be taught how to incorporate these 5 components to create a well-structured and balanced class to leave your students feeling great and wanting more.

The **Knoff Yoga System** uses an **11 Asana Group Sequence** in all levels:

- Earth & Sun Salutations
- Inverted Poses (heating)
- Standing Poses
- Arm Balancings
- Forward Bends
- Sitting Poses
- Abdominals
- Twists
- Backbends
- Inverted Poses (cooling)
- Relaxation.

## Level 4 – Pregnancy Yoga

This sequencing is based on the Knoff Yoga **Principles of Sequencing** and, together with the other essential components, has been designed to energise the body, elevate the mind and evolve the spirit.

You will also learn our **5 Week Rotational Sequence** for teaching yoga postures. Each week there is a specific theme in which you slow down the class and emphasise specific asana groups to enhance learning. The rest of the class is taught at a normal pace. We have found that students really appreciate this varied method of learning.

You will study and learn the unique **24 Principles of Practice**, which form the basis for all practice and teaching in the Knoff Yoga style.

In Knoff Yoga we teach **5 Bandhas**, or muscular and energetic locks, which transform internal energies creating heat and lightness in the body, while simultaneously providing internal support:

- **Mula Bandha** – Root Lock
- **Uddiyana Bandha (minor)** – Abdominal Lock
- **Jalandhara Bandha** – Chin Lock
- **Hasta Bandha** – Hand Lock
- **Pada Bandha** – Foot Lock

The **Knoff Yoga System** has pioneered the application of **Right and Left Days/Weeks** in asana practice and teaching to ensure symmetry of body, breath and mind. We are the only yoga school in the world to apply these methods.

### About Nicky Knoff

**Nicky Knoff ERYT500** was born in 1938 to a Dutch father and an English mother. The family was living in Indonesia when the Japanese invaded at the start of WWII. Nicky was in a concentration camp from the age of three and a half years to nearly eight years old.

The harsh experiences of the war forced Nicky to confront, at a very early age, the basic realities of life - what was important and what was not. Nicky learned that we all have an inner essence, that when stripped of the veneer of social conditioning, we are all essentially the same, but with conditioning we are capable of doing the most horrific acts. Nicky's approach to teaching yoga is to help her students challenge their social conditioning, to guide them towards revealing their own inner essence, so they may reach their full potential as human beings.

Nicky Knoff was a student of Bikram Choudhury in Japan from 1970 to 1974, before Hot Yoga (an American invention), before he became famous, and before he started his bad behaviour. In those years, Bikram had a strong practice, was clear and competent in his teaching, and treated his students with respect. Nicky categorically condemns all sexual misconduct and abuse of students.

When travelling on holiday from Japan, Nicky discovered Iyengar Yoga and started studying with many Iyengar teachers all over the world, one of them being Martyn Jackson in Sydney, Australia. Nicky made many trips to Pune, India to study with B.K.S. Iyengar, Geeta and Prashant and in 1992 was certificated as a Senior Iyengar Yoga Teacher.

In 1989, Nicky went to Mysore, India to study with K. Pattabhi Jois, where she learned the first three series of Ashtanga Vinyasa Yoga. In 1991 she travelled to Maui, Hawaii to learn the 4th Series from Nancy Gilgoff and the other Ashtanga yogis there. In 1980, Nicky attended her first Vipassana Meditation Course with S.N. Goenka. Nicky attended many Vipassana 10-day silent retreats and also a 30-day retreat at Igatpuri, India in 1988.

From 1974 to 1984 Nicky taught yoga at the Crippled Children's Society in New Zealand, spending 4 years in Dunedin and 6 years in Auckland. This experience led Nicky to specialise in Yoga Therapy. In 1980, Nicky opened the first full-time yoga school in Auckland, the New Zealand School of Yoga.

In 1984 Nicky moved to Australia and opened the Queensland School of Yoga in Noosaville. In 1992 she moved to Cairns, and opened the Ashtanga Yoga Academy. In 2000, Nicky moved to Colorado, USA where she opened the Academy of Yoga. For the next 4 years, Nicky attended classes at many yoga schools throughout the United States and also the Yoga Journal Estes Park Convention for 4 consecutive years, where she studied with many very experienced yoga teachers.

Nicky returned to Australia in 2004 and now runs teacher training courses, teaches workshops, intensives, private classes, and holistic healing nationally and internationally. Through Nicky's passion for yoga, **The Knoff Yoga System** has evolved over 40 years and provides a unique program for better yoga practice and teaching.

## Mission Statement

Our passion is to share the physical, mental, and spiritual benefits of yoga.

Our goal is to offer training that is transformational, and imparts the techniques and philosophy of yoga as well as the enthusiasm to make yoga a life-long choice.

We understand that Knoff Yoga will grow and prosper in direct relation to the positive impact it has upon the lives of our teachers and students.
