The entire focus of the Knoff Yoga approach to Yoga Philosophy is one of practicality - how Yoga works today. To this end we utilise the teachings of BKS Iyengar and we encourage all yoga teachers to read widely and gain a broad perspective, but at the end of the day, it is the common-sense application of yoga philosophy that enhances living.

Combined with the Discovery syllabus, you now have enough information, knowledge and skills to teach yoga competently and successfully for many years to come.

Level 3 – Foundation Intensive

The Knoff Yoga Teaching & Practice Methodology

The **Knoff Yoga System** teacher training will give you the opportunity to share the life-enhancing benefits of yoga with others and to join a rapidly growing profession that has the potential to change your life and those around you.

As part of the **Knoff Yoga System** you will learn how to teach **5 Essential Components** in every class in order to give your students a comprehensive lesson:

- **Meditation** – non-religious mind centering techniques
- **Pranayama** – breathing exercises for mental clarity and physical vitality
- **Asana** – anatomically aligned, structurally balanced yoga poses to enhance functionality of the body
- **Relaxation** – how to effectively relax the nervous system and reduce stress
- **Philosophy** – positive, uplifting and life affirming.

You will be taught how to incorporate these 5 components to create a well-structured and balanced class to leave your students feeling great and wanting more.

The **Knoff Yoga System** uses an **11 Asana Group Sequence** in all levels:

- Earth & Sun Salutations
- Inverted Poses (heating)
- Standing Poses
- Arm Balancings
- Forward Bends
- Sitting Poses
- Abdominals
- Twists
- Backbends
- Inverted Poses (cooling)
- Relaxation.

This sequencing is based on the Knoff Yoga **Principles of Sequencing** and, together with the other essential components, has been designed to energise the body, elevate the mind and evolve the spirit.

You will also learn our **5 Week Rotational Sequence** for teaching yoga postures. Each week there is a specific theme in which you slow down the class and emphasise specific asana groups to enhance learning. The rest of the class is taught at a normal pace. We have found that students really appreciate this varied method of learning.

You will study and learn the unique **24 Principles of Practice**, which form the basis for all practice and teaching in the Knoff Yoga style.

In Knoff Yoga we teach **5 Bandhas**, or muscular and energetic locks, which transform internal energies creating heat and lightness in the body, while simultaneously providing internal support:

- **Mula Bandha** – Root Lock
- **Uddiyana Bandha (minor)** – Abdominal Lock
- **Jalandhara Bandha** – Chin Lock
- **Hasta Bandha** – Hand Lock
- **Pada Bandha** – Foot Lock

The **Knoff Yoga System** has pioneered the application of **Right and Left Days/Weeks** in asana practice and teaching to ensure symmetry of body, breath and mind. We are the only yoga school in the world to apply these methods.

About Tomoko Gregory

In the beginning: Tomoko Gregory was born in Japan in 1966. In 1983 she watched the American Dance drama movie, 'Flashdance' which encouraged her to want to learn jazz dance. For financial reasons this wasn't going to happen. One day, however, she was walking home from school when she discovered a small sign advertising yoga classes for 500 yen (about \$5). Being more affordable, this was Tomoko's first encounter of yoga.

As a young woman, after studying 'Mass Communication' (Media Studies) and Social Psychology at University, Tomoko worked for Japan's largest advertising company for 4 years during the economic bubble of the 1990s. She felt conflicted about working for this powerful entity that was, ultimately, manipulating people's thinking by promoting materialism, so she quit her job and went to Thailand to work and live for 4 years.

During this time, Tomoko experienced the deaths of several colleagues. This experience taught her the importance of living each moment with gratitude, being conscious of our inherent mortality and the value of life. This was the beginning of her philosophical journey. In time, Tomoko came to discover yoga as a powerful tool to live this philosophy.

Yoga: In 1997, Tomoko came to Cairns, Australia, where she discovered an Ashtanga yoga school run by Nicky Knoff and James Bryan. She attended the school as a student for a number of years. During this time, she also became a mother to two children. In 2006, she decided to undertake the Foundation Teacher training course offered by the school and promptly began teaching yoga there.

In the following year, as a young mother, Tomoko took the step to teach independently, establishing the Aeroglen Community Hall as a base for her classes. Her intention was to offer individual tuition in small to medium classes to share the physical, mental and spiritual benefits of yoga with people using the Knoff yoga system.

Tomoko completed all levels of the Knoff Yoga syllabus, including the Foundation, Intermediate, Advanced and Master teaching courses, as well as Chair yoga, Pregnancy yoga and Therapy A & B courses. She assisted Nicky Knoff directly during numerous teacher training courses, workshops and private lessons over 10 years. She has been dedicated to the Knoff Yoga system for both her

Level 3 – Foundation Intensive

own practice, as well as her teaching. With the endorsement of Nicky Knoff herself, Tomoko independently began conducting Knoff Yoga teacher training courses for the first time in mid-2025.

Tomoko carries the legacy and intention to continue the Knoff yoga system to the next generation as she is convinced, through the experience of her own practice and teaching, how powerful the Knoff Yoga system is to achieve wellbeing of mind and body.

Mission Statement

Our passion is to share the physical, mental, and spiritual benefits of yoga.

Our goal is to offer training that is transformational, and imparts the techniques and philosophy of yoga as well as the enthusiasm to make yoga a life-long choice.

We understand that Knoff Yoga will grow and prosper in direct relation to the positive impact it has upon the lives of our teachers and students.
